

Letter from the "E"

Dear Alumni Brothers,

The website has been updated with a few links to include all of the newsletters thus far and the family tree. I will be coordinating with brother Jordan Hattala much more to add some interesting aspects to the site. I hope to make an upcoming events tab and to incorporate facebook more into the scheme so as to have as many channels of information flowing as possible.

I recently came across a set of photos from a long time ago in Delta Chi. I do not remember who initially posted them on facebook but thank you. Now I would like to ask all alumni if they have any digital copies of photos from your time as an active brother. They will all eventually reach the website for historical value.

I also have pulled off a copy of the composites from facebook as well and wish to add them to the website. I am missing the following years: 1974, 1976, 1978-91, 1998-01. If it is possible to track them down in the storage unit then I will but if anyone has a copy or can scan one then please send it to me.

I appreciate any and all input as to better keep you informed. If you have any questions, comments, or concerns you can reply to this e-mail address or contact me directly at (407)493-7665 or kirkwooa@erau.edu.

ITB,

Andrew Kirkwood

Housing

We are pursuing a location near silver beach as a house for the Fall 2010 semester. There are still plenty of details that are being discussed now. You may see a walkthrough done by Dan Gonchar by joining the facebook group 'Delta Chi House;' otherwise, here is a snapshot. John Mazur, Kenny McCoig, Boyd Kelly, and Pat Phelan all are directly involved with the project and can give further details at this time.

Public Relations

The Quarterly article was submitted on time. Look for it in the Spring/Summer issue.
