February Alumni Newsletter

Andrew Kirkwood

Embry-Riddle Chapter of Delta Chi

Letter from the "E"

Dear Alumni Brothers,

I have decided to try a fresh look for the newsletter for the new semester, let me know how you like it. Look professional enough?

ANNOUNCEMENTS!! I want to start posting announcements on both the website, the quarterly, and in the newsletter. I want anything from births, engagements and marriages, and even deaths because this will make the newsletter much better for all of the alumni to be engaged.

This semester, I hope to plan a formal dinner for the fraternity and guests. John Mazur has repeatedly suggested the Yacht Club as a great place to hold the event so I will be looking into that setting. If the Yacht Club turns out to be a great venue then we can look forward to organizing the Alumni/Faculty Dinner in there for next fall.

I also will be collaborating with Jordan Hattala, Website Chairman, in adding a few bits and pieces to the website. I will specify what sort of special add-ons will be instated after talking to ABT and coordinating with all parties on a need-to-know basis.

I appreciate any and all input as to better keep you informed. If you have any questions, comments, or concerns you can reply to me at [eraudchialumni@gmail.com](mailto:eraudchialumni@gmail.com) or contact me directly at (407)493-7665 or [kirkwooa@my.erau.edu](mailto:kirkwooa@my.erau.edu).

ITB,

### -Rush

Augusto Espinosa has put his best foot forward and organized a great rush for this year. We were present at the spring Activities Fair with a great spot picked out in the middle of campus right outside the library. We were present in great numbers at Meet the Greeks and have put together a contact list from which we can expect a good turn-out during rush week. Here is the schedule for the week.

Day	Event	Location
Monday	Wing Night	South Turn
Tuesday	Pool Night	Waldo's Pool Hall
Wednesday	Lazer Tag	Daytona Lagoon
Thursday	Cook-out with Tri-Sigma	Campus Lawn
Friday	Invite Dinner	Legacy Pool House

### -House

It has been all positive information this semester from ABT and all parties involved. The Silver Beach property has been the center of concentration for its 12-14 brother capacity, great condition, and location. There are lots of kinks to work out as far as final capacity and housing contracts. If all goes well, renovations will be handled by Kenny McCoig and local brothers.

### -Regional Leadership Conference

Brothers from all over the region gathered at the University of Florida for the annual RLC. In addition to my second consecutive year in attendance, Jason Rhodes made the trip along with new members Brad Hansen and Brandin Delano. Next chapter we will be introducing all of the beneficial information gathered from RLC.

-Fundraising

We have been given the opportunity to work for Americrown at the Daytona 500 again this year. We can give a big thanks to Mike Ninivaggi for being our liaison between Americrown and the fraternity. We will be working near the Superstretch and Grand Stand selling lemonade and pretzels. We appreciate the opportunity to have this event back in our activities.

-Philanthropy

With the National Convention coming up soon, the brothers really want to match our pledge of \$2500 to the Jimmy V foundation. We plan on creating t-shirts for the Jimmy V Foundation for us to wear every month and create awareness for the organization. We are also working on throwing a Delta Chi Beauty Pageant on campus in a few weeks to raise a lot on money for Jimmy V. Look for more details on how you can get involved and help us reach that goal.

-Public Relations

There has been some recent concerns about Delta Chi being on the campus scene. This semester one of our goals will be to reverse this concern. In addition to more activity in the public forums of Embry-Riddle, the chapter will also be more involved in throwing brotherhood events on campus. This will help put the fraternity fresh in the minds of the student population and hopefully we can use that to reach out to certain young men that have a laid back interest in greek organizations. As Public Relations chairman, I will do my best to run weekly articles in the *Avion* and utilize banners for any event the brotherhood may be involved in during the semester.
