## February Alumni Newsletter

Andrew Kirkwood

Embry-Riddle Chapter of Delta Chi

Letter from the "E"

Dear Alumni Brothers,

ANNOUNCEMENTS!! I want to start posting announcements on both the website, the quarterly, and in the newsletter. I want anything from births, engagements and marriages, and even deaths because this will make the newsletter much better for all of the alumni to be engaged.

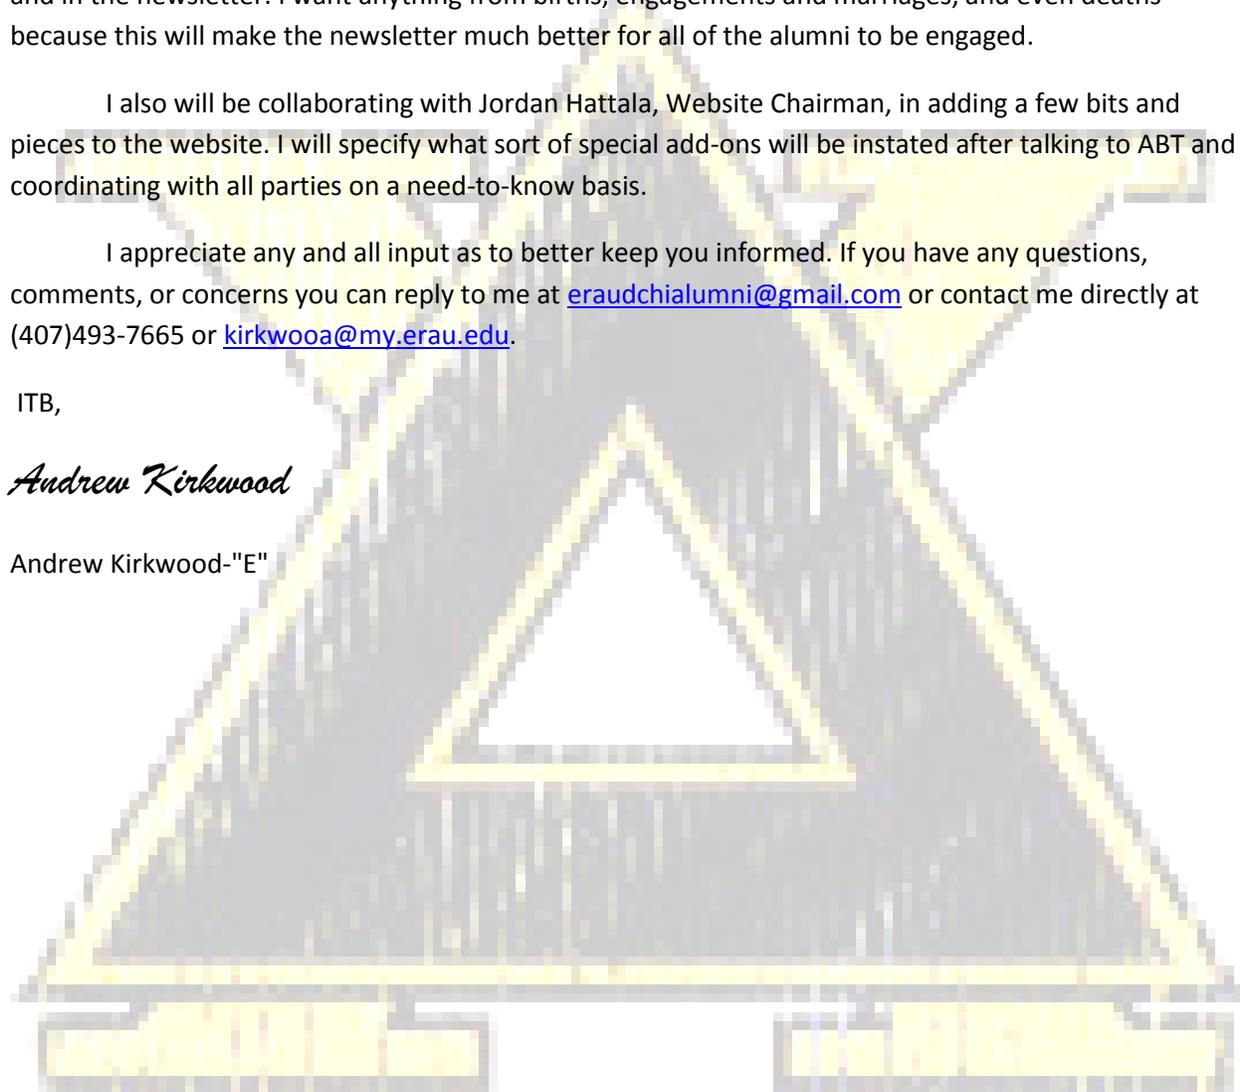

I also will be collaborating with Jordan Hattala, Website Chairman, in adding a few bits and pieces to the website. I will specify what sort of special add-ons will be instated after talking to ABT and coordinating with all parties on a need-to-know basis.

I appreciate any and all input as to better keep you informed. If you have any questions, comments, or concerns you can reply to me at [eraudchialumni@gmail.com](mailto:eraudchialumni@gmail.com) or contact me directly at (407)493-7665 or [kirkwooa@my.erau.edu](mailto:kirkwooa@my.erau.edu).

ITB,

*Andrew Kirkwood*

#### -AMC

Our pledge class this year is four strong. Their names are Julian Velazquez, Erik Butts, Leon D'Lima, and Mark Lamberto. They have been learning the background of the fraternity and have absorbed the information adequately. They sang for the tri-sigma ladies and I heard it was a good showing.

#### -House

Plans are still underway to finalize the cost and contracts. There will be more information in the days to come and when everything goes through I will be happy to make the announcement.

#### -National Convention

Bill Tallman has sent out an e-mail to the members in attendance at our last convention explaining that we will be planning another event for the illustrious members of the Embry-Riddle chapter.

#### -Fundraising

The brotherhood had a great experience at the 500 this year. We were located on the second floor of the superstretch selling lemonade and pretzels. We brought in about \$5000 and we were almost crucified for running out of pretzels, but the whole experience was a success from our standpoint.

#### -Philanthropy

With the National Convention coming up soon, the brothers really want to match our pledge of \$2500 to the Jimmy V foundation. We plan on creating t-shirts for the Jimmy V Foundation for us to wear often and create awareness for the organization. We are also working on throwing a Delta Chi

Beauty Pageant on campus in the Fall semester. Look for more details on how you can get involved and help us reach that goal.

We also participated in Xi Man for the Alpha Xi Deltas on 3/10/10. Brandin Delano was our man in the running and we were unsuccessful in donating enough money to win Xi man but the brothers had a great time at the amusing antics of Brandin competing on stage. The winner was the Sigma Chi and we all agree he did terrible in the competition portion of Xi man.

-Public Relations

I have an article written about awareness for Jimmy V written for the next edition of the *Avion*. Our banners for the student union have been limited to 4 per semester to cut costs for the Student Government. I have been using the slideshow shown around campus on the Eagle Network. We have been utilizing that every week to advertise the fraternity.

-Greek Week

The competition was rough this year and we did not finish in first. The tug-of-war was also cancelled because of injuries so this was not our year. The tug-of-war was replaced with a knock-out competition the following Tuesday in which we finished in 7<sup>th</sup>.
