Embry-Riddle Chapter of Delta Chi

Letter from the "E"

Dear Alumni Brothers,

The semester is over and summer begins again. Most of the brothers will be heading home as some will remain in town for summer school. And even as the older brothers graduate, their legacy is in the new members that have just begun their journey. As our chapter evolves a new identity on campus, the brotherhood has and will continue to respect and illustrate the values that define Delta Chi. You may all take comfort in the fact that the close association of all the young men keeps the heart of this chapter beating strong and for many years to come. Born proud, raised proud Delta Chi.

I have received an e-mail pertaining to a new website specifically for the alumni of our chapter for the alumni. Delta Chi alumni can now search for old friends and update their own contact information. It has all sorts of useful tools to keep in touch with all your brothers, the old and the new. Information can be found on there for upcoming convention as well. <http://www.deltachierau.com>

I appreciate any and all input as to better keep you informed. If you have any questions, comments, or concerns you can reply to me at eraudchialumni@gmail.com or contact me directly at (407)493-7665 or kirkwooa@my.erau.edu.

ITB,

Andrew Kirkwood

-AMC

Our AMC this year, Jon Lieb, has done well to guide the pledge class of Gamma Iota into three capable brothers. Congratulations to Eric "Jungle Fever" Butts, Julian "Brown Thumb" Valasquez, and Mark "Keebler" Lamberto.

-House

Bad news as the housing plan for next year has fallen through very unexpectedly. The details as president Cowan relayed them to us was that last week, as the final details with the landlord were being completed, housing corp was informed of a permit that is required by the city. The time delay of three months was too much to hope for as the brothers wanted to secure a housing plan before the close of the semester. It is needless to say disappointing for all parties involved and is just another setback until next year. Plans will be further discussed throughout the year in anticipation for the fall semester of 2011.

-National Convention

The 2010 Convention will be held at the New Orleans Marriott August 11-August 15 in New Orleans, LA. 555 Canal Street New Orleans, LA 70130. The Embry-Riddle chapter has had a long standing tradition of an excellent attendance to the convention and with that we also plan a special event for our chapter members. Look for future announcements for our special event on Friday August 13th. Please send me an e-mail if you plan on attending convention. For hotel information follow this link to the Marriot website and receive a special room rate of \$105 per night: [New Orleans Marriot](#)

-Formal

The event went off with a splash with brothers, alumni, and guests all in attendance. It was another successful formal to say the least. I will be working this summer to insure that the Alumni Dinner in the fall will be flawless.
