Embry-Riddle Chapter of Delta Chi

Letter from the "E"

Dear Alumni Brothers,

We have kicked off the semester early with a lot of events early in the semester that have kept me and the rest of the chapter busy. After the retreat held at Jetty Park we made plans for another successful rush, the annual toga party was executed without any incidents, and the alumni dinner has been planned early this year to coincide with big plans for the future of the chapter.

I appreciate any and all input as to better keep you informed. If you have any questions, comments, or concerns you can reply to me at eraudchialumni@gmail.com or contact me directly at (407)493-7665 or kirkwooa@my.erau.edu.

ITB,

Andrew Kirkwood

-AMC

Our pledge class this year is made up of 7 men and we are planning a few post-rush events on campus to see if we can expand the class. Their names are:

AJ Eddins – I have known him since freshman year and he is already showing pride as an associate member.

Chris Maxwell – Is already getting to know his big brother well and is fitting in with the brotherhood well.

Jacob Morin – Is getting to know his big brother well and is fitting in with the brotherhood well.

Josh Graham - Spending a lot of time with me and his big brother and is a dedicated associate member.

Michael Noone – Is enjoying the associate member program and is a great fit into the associate member class.

Nick Rookstool – 26 years old, he was in the coast guard and now is attending ERAU.

Steven Saxson – He made it onto the basketball team as a walk on and is a great addition to the associate member class

-Athletics

The Delta Chi basketball team suffered their first loss to the defending champions of last year's intramural league by only 5 points, we expect to do really well this year. The Delta Chi football team was out matched by the Pike football team and penalty calls every other play. We will be concentrating on adjusting to the special intramural rules and expect to improve to a championship caliber team.

-Brotherhood

We will be loosely planning dinners with the brotherhood at least once a month throughout the semester. Other events will be planned as ideas are passed around.

-House

Information pending.

-Philanthropy

We plan on creating t-shirts for the Jimmy V Foundation for us to wear often and create awareness for the organization. We are also working on throwing a Delta Chi Beauty Pageant on campus in the upcoming semester.

-Retreat

The chapter held its annual fall semester retreat at Jetty Park again this year on September 10 and 11. It was a very successful weekend in terms of planning our calendar for the next year, and for brainstorming ideas for the improvement of the chapter. We also set goals for recruitment numbers and for getting our chapter members more involved in other on campus organizations to help promote Delta Chi all across campus. We are looking forward to a successful year and really strengthening all aspects of chapter operations.
