Embry-Riddle Chapter of Delta Chi

Letter from the "E"

Dear Alumni Brothers,

We are nearing the end of the semester with about a month left, and many of us are looking forward to summer. Knowing that, we are not going to let our responsibilities in Delta Chi move behind us. We are still focusing on our committees and mainly planning some brotherhood events and socials to enjoy the rest of the semester. Also, the planning of formal is almost completed. Read further for more details on the big day.

I just wanted to pass on some great news about one of our alumni. Brother Oscar Gonzalez III who graduated back in the Beta Pi pledge class was married this past month to Olivia Gierman in the Delta hangar. Oscar currently works for Delta as an engineer and his new wife works for Sikorsky Helicopters. They met back in school at Embry-Riddle. The chapter would like to congratulate them in their marriage.

If anyone else has any other unique stories or news they would like published in the next alumni newsletter, please let me know by replying to this email.

As always, if you have any questions, comments, or concerns you can reply to me at [eraudchialumni@gmail.com](mailto:eraudchialumni@gmail.com) or contact me directly at (414) 698-9382 or [moshinsk@my.erau.edu](mailto:moshinsk@my.erau.edu).

ITB,

### -Alpha Xi Delta's Xi Man Competition

One of our Junior Brothers, Nick Rookstool competed in the Xi Man competition last month. He worked hard and was among the finalists, but he didn't end up on top. The competition raised thousands of dollars for AΞΔ's national philanthropy, Autism Speaks. The show was a men's pageant that focused on comedic acts including a swimsuit competition and a cross-dressed-lip-sync competition. Here is a picture from the lip syncing section. Nick, on the right, was dressed as Snooki from the TV show, Jersey Shore.

### - Greek Week

The ERAU chapter of Delta Chi competed again in this year's Greek Week competition. This year's events included a "minute to win it" challenge, chariot race, obstacle course, cardboard boat race and finally tug-o-war. We were awarded first place in the cardboard boat race, and came close in the rest of the competitions. Delta Chi ended up in fourth place in the end while  $\phi\Delta\theta$  took home first. We hope to take home the gold next spring. Here is a picture from the championship boat race on our victory lap with the lovely ladies of  $\Sigma\Sigma\Sigma$ , and the chariot race.

### - Spring Formal

Formal is planned for the Saturday of April 16<sup>th</sup> at the Hilton Oceanside. If anyone is interested in coming, please contact Andrew Kirkwood at [Kirkwooa@my.erau.edu](mailto:Kirkwooa@my.erau.edu).

### - AMC

We are down to one associate member, Yaser Ibrahim. He is progressing through the pledge process nicely and will start his manual and paddle this week.
