Embry-Riddle Chapter of Delta Chi

Letter from the "E"

Dear Alumni Brothers,

Now that the first month of school and rush week has come to an end, the Embry-Riddle chapter of Delta Chi has got a good start to the semester. We are excited to announce some of our accomplishments we have already made. Thanks to the alumni turn out and well execution of our fall retreat, we had a great advantage during rush week. As a result, we pinned 24 associate members. Thanks again to Brent Terwilliger, Bill Tallman, Kenny McCoig, Mark Rubio, and Jim Allman for coming and supporting the chapter.

As a chapter, we will strive to improve on our weaknesses. We would greatly appreciate any feedback or pointers from past experiences of our alumni that might help us out in any way. Contact me directly or through the "E"'s email, eraudchialumni@gmail.com.

-Rush

For rush, we had jet skis, go carts, mini golf, wings at South Turn, a BBQ, bowling, and of course our invite only dinner. These all turned out to bring large amounts of potentials for us to meet and get to know. Thank you to John Mazur for showing up to the BBQ and telling stories to the potentials and brothers from back in the day Delta Chi. Here is a picture from the BBQ and following from go carts.

-Delta Chi Industry Day at ERAU

We cannot thank each of you who showed up to speak enough. Though we did not have the best turnout, it was still very educational and worth our time. We hope to try this again next semester with better execution and maybe a better location such as the IC Auditorium. Updates will be in future newsletters.

-Scholarship

Micheal Noone, as scholarship chair, has reported back to the chapter with results of our combined grade point average. We stand at a 2.69/4.0. Our semester goal is to raise that up to a 3.0 and be among the highest at Embry-Riddle. We plan to have study groups this semester and stricter library hours based on current GPA.

-Chapter 40th Anniversary

Planning has begun for the ERAU chapter's 40th anniversary of its founding. The date has been decided on so mark your calendars for March 23rd-25th. Formal "save the dates" and invitations will be on the way later this semester. This will be replacing the fall alumni dinner. Direct any questions to Steve Moshinski (moshinsk@my.erau.edu) or Brent Terwilliger (brentterwilliger@yahoo.com).

-Upcoming Events in October

- 10/8- Annual pig roast at the Sigma Chi house
- 10/9- Fundraising in Jacksonville (Jaguars game)
- 10/29- Halloween Social with ΣAE and ΣX at the Sigma Chi house

-Fundraising

We have completed one of two planned fundraising events, working the Jacksonville Jaguars football games. The next one scheduled is for this Sunday against the Bengals. All the brothers and AM's are looking forward to the event.

-New "BB"

Mike Ninivaggi has stepped down from the position "BB" and we have now nominated and elected Jim Allman. Stay tuned for a personal update from him in the next newsletter.
